

New Date and New Venue of IE expo China

Dear Exhibitor, Visitor and Partner,

We are aware of the global situation related to the spread of the coronavirus (2019-nCov) and are monitoring developments each day. Nonetheless, we want to focus on the future as well and have set a new date for IE expo China 2020 in consultation with Chinese officials and local exhibitors.

The new date for IE expo China will be June 10 - 12, 2020. The new venue will be the National Exhibition and Convention Center (NECC) in Shanghai. The NECC is one of the world's largest exhibition and congress centers and is close to the Shanghai-Hongqiao International Airport. It has very good connections to the subway, high-speed trains and buses. As a result, it is easy for visitors to reach.

If you have any questions, please feel free to contact us.
