bauma CONEXPO INDIA, the International Trade Fair for Construction Machinery, Building Material Machines, Mining Machines and Construction Vehicles will now take place from April 20 to 23, 2021 at the India Expo Centre (IEC), Greater Noida, Delhi NCR.

Mr. Bhupinder Singh, the CEO of bC Expo India Pvt Ltd. said, "After careful considerations of the COVID-19 situation and crucial discussions with the industry, we are postponing bauma CONEXPO INDIA to April 2021. The gradual upturn of the market leaves us confident that the industry will find even more favourable conditions for doing business at the new dates. Plus, rescheduling the exhibition will enable us to provide a safer environment for our exhibitors, stakeholders, and visitors as their safety is our topmost priority."

Realigning with the industry to a safe date and a safer venue

The decision was supported by Mr. Arvind K. Garg, Chairman, bauma CONEXPO INDIA – Task Force and Executive Vice President and Head, Construction and Mining Machinery Business at Larsen & Toubro Ltd. Mr. Garg, said: "As the industry is witnessing a gradual recovery, the decision to postpone the event comes at an appropriate time. To ensure a safer environment for participants we have moved the show to an India Expo Centre. Along with providing top facilities and an excellent infrastructure, bauma CONEXPO INDIA is all set to cater to the industry's needs. We wish to affirm that all Government directives and norms will be followed stringently to provide a safe experience that the participants expect and deserve."

Backing the decision, **Mr. Mu. Moahan, President of Builders Association of India (BAI)** said, “The rescheduling will come with its own benefits as the industry is recovering from the deadly grip of the corona virus pandemic. We are certain that with the travel restrictions relaxed, more exhibitors and visitors will be able to take part in the exhibition. The postponement is more welcome, as BAI National Members Meet can be planned alongside with bauma CONEXPO INDIA 2021 with maximum participation from pan India,” he added.

Extending his support, Mr. Bhupinder Singh said, “The decision comes after the thorough consideration of market assessments and consultations with the key stakeholders. We feel it is in the best interest of our exhibitors and visitors. Besides that, we want to thank our partners for their continued support and help in facilitating this difficult decision to postpone the trade fair. Further, we are working hard to make the coming trade fair even better and more successful.”

Registration open

Hence, exhibitors and visitors alike can prepare their participation in bauma CONEXPO INDIA 2021 in April next year. Interested companies can register online at bcindia.com.

bauma CONEXPO INDIA

bauma CONEXPO INDIA, international trade fair for construction machinery, building material machines, mining machines and construction vehicles, is the most important industry event for the sector in India with an exhibition area of 195,000 square meters. The last bauma CONEXPO INDIA in December 2018 attracted 668 exhibitors from 26 countries and 39.173 participants from India and neighboring states. bauma CONEXPO INDIA is held every two years: the 6th event will take place in Gurugram/Delhi from April 20 to 23, 2021.

bauma NETWORK: Six construction machinery trade fairs of Messe München

In addition to the world's leading trade fair bauma, Messe München has extensive skill in organizing additional international construction machinery trade fairs. For example, Messe München organizes bauma China in Shanghai and bauma CONEXPO INDIA in Gurgaon/Delhi together with the Association of Equipment Manufacturers (AEM) as well as the bauma CONEXPO AFRICA in Johannesburg. In December 2015, Messe München successfully expanded its portfolio further with the purchase of the leading Russian construction machinery trade fair CTT, now renamed bauma CTT RUSSIA. In March 2017, the bauma NETWORK was again expanded with M&T EXPO in the form of a license agreement with SOBRATEMA (Brazilian Association of Association of Technology for Construction and Mining).

Messe München

Messe München is one of the world's leading networking platforms. In a reflection of the slogan "Connecting Global Competence," Messe München serves as a global networking platform and brings together decision makers from all parts of the world. Messe München's portfolio comprises more than 50 trade fairs for capital and consumer goods as well as new technologies that focus on the latest social issues. These trade fairs include the world-leading trade fairs bauma, BAU, IFAT and ISPO Munich. The roughly 200 events organized by Messe München each year attract about 50,000 exhibitors and 3 million visitors.

Messe München has one of the most modern exhibition grounds in the world and with its four locations in Riem, the ICM – Internationales Congress Center München, the MOC Veranstaltungszentrum München, and the Conference Center Nord, is able to fulfill all its customers' requirements individually. Messe München is very successful in its domestic market in Munich as well as in other countries. It is active in all important growth markets: China, India, South Africa, Brazil, Russia, and Turkey. Overall, Messe München, with its network of associated companies and foreign agencies, is present in more than 100 countries.

Association of Equipment Manufacturers (AEM)

AEM is the North American-based international trade group that for over 125 years has represented off-road equipment manufacturers and suppliers, with more than 1,000 companies and more than 200 product lines in the agriculture and construction-related industry sectors worldwide. The equipment manufacturing industry in the United States supports 2.8 million jobs and contributes roughly \$288 billion to the economy every year. AEM has an ownership stake in and/or manages several world-class exhibitions, including CONEXPO-CON/AGG, the largest construction trade show in the western hemisphere and one of the world's largest gathering places for the construction industries. AEM's customer connection portfolio also includes offerings in Asia, Latin America and Africa.
