

IE expo China: new date, back in SNIEC

Dear Exhibitors, Visitors and Partners,

The Chinese government called again for measures to control the novel coronavirus (COVID-19). Hence, activities and events gathering people should currently not be organized.

Due to these circumstances, this is to announce that IE expo China is postponed again: the trade fair will take place from August 13 to 15, 2020 at the Shanghai New International Expo Centre (SNIEC) in Shanghai.

Recently, the show was scheduled for June 10 to 12 at the National Exhibition and Convention Center (NECC) in Shanghai. Now, we are glad about the new opportunity and are looking forward to offering our customers a successful event at our home venue.

If you have already registered for IE expo China, we kindly ask you to confirm your registration for the new date.

In case you have any questions, please do not hesitate to contact us.

We wish you all the best and good health!

Yours sincerely,
